COURIER / SPEED SERVICES WITH REGARD TO VETERINARY IMPORT PERMITS

Dear Importer

As stated on the application forms for the importation of controlled goods in terms of the Animal Diseases Act, 1984 (Act No. 35 of 1984) and the Meat Safety Act, 2000 (Act No. 40 of 2000).

The importer / importers agent / applicant can choose to receive their veterinary import permits in 3 ways:-

- A. Permits can be collected in person.
- B. Permits can be collected by a courier company (client to make own arrangement)
- C. Permits can be posted (normal post) within the Republic.

Please note that the veterinary import permit office is not responsible for courier / speed services. Importers are therefore reminded to make their own arrangements.

Kind Regards,

PP Ms. S.S. Maelane
